

Weird Tales Presents: The Strange World of Harry Houdini

## Weird Tales Presents: The Strange World of Harry Houdini Various Authors

In 1924, the odd and wonderful Weird Tales Magazine published a series of stories written (or ghost-written in at least one instance) by noted illusionist and skeptic Harry Houdini. In addition to these supposed exploits by the famous escape artist, the magazine hosted a series of "Ask Houdini" sections soliciting readers to ask questions of the great Houdini which he would respond to in turn in a future issue. These Ask Houdini segments are included here in addition to the Houdini stories to create a comprehensive collection of writings by and about Harry Houdini in Weird Tales! - Summary by Ben Tucker
